AMERICA'S OLDEST PROFESSIONAL ART CLUB

Published
FALL 1974

The Salmagundi Club originated as a spontaneous expression of this psychological need of artists and intellectuals when a group of painters, sculptors, writers and their friends joined to form a sketch group at the studio of Jonathan Hartley at 506 Broadway in the fall of 1870.

Since its founding, the club has had many homes. In 1893, it took possession of the house at 14 West 12th Street, where it remained for twenty years. In 1917, the Salmagundi Club purchased its present location, formerly the imposing home of William G. Park. The house has been built originally for Irad Hawley in 1845.

The generosity and loyalty of the members, through contributions of money and gifts or paintings which were sold at auction, enabled the club to purchase this home.

Salmagundians take much pride in the possession of their unique clubhouse, which still retains the quiet dignity and charm of a bygone era.

In July 1974 the Clubhouse was selected as a National Monument and is designated in the Federal Register of Historic Places.
